

Resources and Outreach Tools Following a Disaster

For Educators

The USDOE has a compilation of resources for schools impacted by natural disasters following link:

<https://safesupportivelearning.ed.gov/compilation-resources-schools-impacted-natural-disasters>

The Florida Association of School Psychologists (FASP) is available to assist you and your school district with crisis response training as well as providing crisis intervention and recovery support to your school districts as we prepare to help school districts begin to get back to a sense of normalcy. The website address is: www.fasp.org

[After the Storm: A Guide to Help Children Cope with the Psychological Effects of a Hurricane](#)

This resource provides information and activities that parents and other caregivers can do with to help children cope with the aftermath of a hurricane as well as answers to common questions districts begin to get back to a sense of normalcy. The website address is: www.fasp.org

<https://www.fema.gov/coping-disaster> This article breaks down stress symptoms by age levels.

Helping Children and Adolescents Cope with Violence and Disasters

These resources, developed by the National Institute of Mental Health, have been specifically for multiple audiences with what is known about the impact of violence and disasters on children and adolescents and suggest steps to minimize long-term environmental harm.

Resources and Outreach Tools Following a Disaster

For All Community Members

SAMSHA Disaster Hotline- 1-800-985-5990 or text **TalkWithUs to 66746** to connect with a trained crisis counselor. 24/7, Multilingual Services. Trained Crisis Counselors.

The **NAMI HelpLine** is a free service that provides information, referrals and support for people living with a mental health condition, family members and caregivers, mental health providers and the public. The HelpLine can be reached Monday through Friday 10 am–6 pm, ET. The number is **1-800-950-NAMI (6264)**.

FEMA Assistance:

Residents wanting to register need to bring the following items:

- Know your Social Security Number
- Know the name of your insurance company, if applicable
- Damage Info (damage description)
- Financial Information (Income)
- Contact Information

Disaster Assessments:

Disaster assessments will continue as needed. Clay County is asking residents to call 904-284-7703 or send photo(s) of trees obstructing roadways and property damage with their name and location/address of the location of the damage pictured to Emergency.Management@claycountygov.com. Know that your submission may or may not get an immediate response.
